CRN MAGAZINE NAMES MIMOSA SYSTEMS ONE OF TOP 10 COMPANIES TO WATCH FOR 2008

*Respected Industry Publication Says Solution Providers Rave About
Mimosa's Email Archiving Technology, Pricing and Flexibility*

Santa Clara, Calif. — January 9, 2008 — Mimosa Systems™, a leading provider of Live Content Archiving solutions, today announced that *CRN* magazine has named the company to its prestigious list of *Top 10 Companies to Watch for 2008*. By including Mimosa Systems in this list, *CRN* recognizes that Mimosa NearPoint™ technology is virtually transforming the Email Archiving space and that its influence on the market will only increase in 2008.

"Solution providers are raving about the technology, the pricing flexibility (Mimosa offers subscription-based pricing and financing) and the margins that come with such an elegant solution to a thorny problem for any and all businesses...It all adds up to a prosperous New Year for Mimosa and its partners," the magazine's editors wrote.

Companies for the magazine's *Top 10 Companies to Watch* list are chosen by *CRN*'s editorial team for their industry-transforming contributions to technology and channel selling. Customer references are also used to help select companies for this important list.

An Impressive List of Awards

Recently, Mimosa was positioned in the Visionaries Quadrant of the Gartner, Inc. "Magic Quadrant for E-Mail Active Archiving, 2007." The company was also named TechTarget's SearchExchange.com Product of the Year for 2007 in two categories including the Exchange Server Archiving and Compliance category and the Exchange Server Backup and Recovery category. In addition, the company received a Top 10 Product award by *Network World*, and was named one of five "Storage Standouts" and a Top 75 Emerging Vendor by *CRN* in 2007.

Mimosa NearPoint addresses critical customer requirements for email information archiving, eDiscovery, regulatory compliance, data protection, disaster recovery and storage optimization. The solution enables litigation readiness, business continuity and end-user search while reducing overall operational costs.

"We're very pleased that *CRN* recognizes what a great product Mimosa NearPoint is for our partners," said Christophe Culine, senior vice president, worldwide sales, at Mimosa Systems. "We've worked hard to develop a channel strategy that will lead to continued success for both our invaluable partners and Mimosa."
